

# Research @ the High Library – Quick Start Guide

High Library online: <http://www.etown.edu/library/>

**FYS Discovery: America Now:** <http://libraryguides.etown.edu/fysdiscoveryrankin>

## Find a database:

ARTICLES & MORE

Use the **Articles and More** button to find the appropriate database for your needs. Databases are listed alphabetically with a brief description.

You can also reach a list of databases arranged

by subject by using the **Databases by Subject** tab on the **Articles & More** page.

## Best databases to start your research:

[Credo Reference](#) – background information

[Academic Search Complete](#) – scholarly articles

[JSTOR](#) – background information & scholarly articles

## Find a magazine, journal or newspaper:

JOURNAL FINDER

Use the **Journal Finder** button to reach a searchable listing of the periodicals (magazines, journals and newspapers) that are available from the High Library.

## Find a book:

LIBRARY CATALOG

Use the **Library Catalog** button to search for books in our library. Search by keyword, title, author or subject.

## Request an interlibrary loan book or article:

INTERLIBRARY LOAN

Use the **Interlibrary Loan** button to access your ILLiad account and order books or articles not owned by the High Library.

## Ask a question:

RESEARCH HELP

Use the **Research Help** button to ask us any questions you have about library resources or to get help with your research. You can enter a question in the **Ask a Question** box:

Ask a Question:	<input type="text"/>	Ask Us
-----------------	----------------------	--------

or text us at 717- 759-9178 or email us at [ask@etown.libanswers.com](mailto:ask@etown.libanswers.com)

## Do Research:

### Do Research

Quick clicks to article **databases**, **research guides**, library **catalog**, **Special Collections/Archives**, and more

Do Research

This is your lifeline for research help. Here you will find links to library databases, tips for searching, links to library guides, help with citing and writing, the Assignment Calculator and more!
